

My reports have just been updated and I have noticed that you are at risk of being **terminated**, unless you have recently placed a wholesale order of \$200 or more! I don't want you to go and I know you don't want to go either! So **let me** help you!

Call my office right now

Termination means:

- You do not show up on my reports as a part of my unit
- You will not receive commission checks
- You will not receive the latest issue of Applause
- You will not be contacted by the company for new product information or new company challenges
- It doesn't have to happen to you!!!

We'll talk about getting you back to normal and how to prevent this from every happening again, you are too good to let go.

I treasure you! I want to see you be our next MK millionaire and success story. Mary Kay has always said that when we give up, we may be just one step away from meeting our goals!

All it takes is a \$200 wholesale order to be active again!
