

Getting Started and FAQs

Why Should I have a Premium Unit Website:

- Project a professional image and attitude about your business and yourself
- Avoid unnecessary flashing and clutter
- Consultants can easily find what they are looking, they can get in and get out the door
- Reach out to the corporate world
- Have a custom look to reflect YOU and YOUR unit

Premium Websites:

- Reaches out to all directors with all unit sizes
- Has Different packages to select from
- Is affordable
- Provides you with professional designers
- Provides you with your own domain name (www.yournamehere) and website space
- Provides 100% customer service and support all the way!

How do I get started: Select your setup and maintenance packages, then e-mail us your selection:
victoria@victoriousdesigns.com

Someone from Victorious Designs will contact you shortly via phone or e-mail to walk you through getting started. If you are not sure which package is right for you, simply e-mail us and we'll help you!

How long will it take to get my site up?

Please allow up to 2 weeks for your website to be completely constructed for you, depending upon your wants and needs.

How often is my website updated:

You can choose a package weekly updates for \$90, biweekly update for \$75, monthly update for \$50.

Do you have setup fees:

Yes, please see our next page for more information.

Can I update my website myself?

Our websites are developed by professional web designers who use numerous types of computer code (HTML, CSS, Javascript) to update your website, so most portions of your website will not be able to be updated by you. However you have full control of uploading/editing your photo gallery and guestbook.

What If I would like to change my service package?

Changing your package is easy, simply e-mail us and by your next updating day, your new package will apply!
