Small Unit Bundled Package Service General Agreement

To qualify for any of our bundled services, you must have a unit size of 35-40 consultants. Our services will be completed for your unit only, not your offsprings'. If you have a unit size of 41+, you do not qualify for this service.

To continue using the bundled services at the monthly rates outlined in our agreements, you must maintain a unit size of 35-40. We will check your unit size on a monthly basis. Once your unit size has increased to 41 and beyond, we will contact you and let you know that after one full month, you will be moving up to our regular priced services, which are outlined on our website. You will be charged setup fees and new monthly maintenance fees once you have switched over. There are no exceptions to this policy.

You must agree to abide by the guidelines for each service that you choose in order to continue using the service. We will not make changes to our guidelines or complete your bundled service items in a way that is outside of our guidelines for any reason.

We will communicate with you through e-mail on our workdays. If you have any concerns, you may schedule an appointment to speak over the phone with us.

We look forward to working with you!
