

# What Does One Include?

On Start up your website includes:

- Custom template with your colors and logo in mind
- Domain name registration example: [www.yournamehere.com](http://www.yournamehere.com)
- Optional username and password protection

10 Hot Content pages:

- Contests
- Events
- Recognition
- Guestbook
- Education Center (our specialty files, plus some of yours)
- What's New
- Photo Gallery
- Be a Star
- Go Red

Plus Bonus Material only from Victorious Designs:

- Editable page (a page that you can edit yourself whenever)
- Audio files (you can record your own audio files)
- Team Building (optional area for potential team members to hear your marketing message online)
- An additional custom page (with basic setup, you can have more pages when you move up a setup level)
